Contract Monitoring & Administration Plan

Vendor/Contractor Name:	Contract No:	

This **Contract Monitoring & Administration Plan** should be used by the agency with each of its contracts. The use of this Checklist helps to ensure proper management of the contract and provides a record that professional management practices were used in the monitoring and administration of the contract.

<u>Instructions</u>: Please check "Yes" or "No" for each item listed below, to indicate which practices will be used in managing and monitoring the contract. This Plan should be signed by the designated contract administrator or project manager to certify that the practices indicated were used to manage and monitor the contract. The signed Checklist shall be included in the contract file.
